181 seniors from Murray High School graduated in ceremonies last night.

Commencement Exercises Held For 181 Murray High School Seniors Last Night

One hundred eighty-one members of the graduating class of 1977 at Murray High School received their diplomas last night in ceremonies at Ty Holland Stadium. Twenty-four students were recognized for high distinction, having averages of 94 and above. Twenty-nine students, with averages from 90 through 93, graduated with distinction.

A large audience of parents, relatives, and friends attended the exercise. The Murray High Band, under the direction of Joe Sills, played for the processional and recessional.

Ken Farley, son of Mr. and Mrs. Max Farley, and third honor student, gave the invocation.

Salutatorian Steve Hancock, son of Mr. and Mrs. Roy Hancock, welcomed the audience and expressed the graduates' appreciation for the assistance and encouragement through the years.

The Senior Ensemble sang under the direction of Mrs. Joan Bowker.

Valedictorian Deanna McMillen, daughter of Mr. and Mrs. Charles McMillen, compared graduation with the other "celebrations" which occur in a person's lifetime.

Dr. Ray Reeves, principal, spoke to the graduates on the subject "They Stood Alone." Dr. Reeves gave examples of people who have stood alone: Edmund G. Ross, John F. Kennedy, Ernest Hemingway, the early Christians and Joan of Ark. These "kindled a flame that cannot be extinguished — the flame of freedom, justice, equality, and happiness." He advised the graduates never to be afraid to trust in God and stand at the head of truth. "I see life as a challenge, accept it and emerge victorious. Stand alone before mankind when your convictions are on trial," he said. The audience gave Dr. Reeves a standing ovation.

Assistant Principal John Hina presented the awards to members of the class.

Don Henry, chairman of the Board of Education, awarded the diplomas.

The outstanding Senior Award went to Anne Gregory, daughter of Mr. and

Mrs. John A. Gregory, Jr.

Other awards given were the following:

Art — Christine Montgomery, daughter of Mr. and Mrs. Charles Montgomery; Arion Award in Music — Teri McConnell, daughter of Mr. and Mrs. Jerry McConnell; Business Education — Julie Outland, daughter of Dr. and Mrs. J. D. Outland; Vocal Music — Steve Hussung, son of Dr. and Mrs. Karl Hussung; English — Elizabeth Whitmer, daughter of Mrs. Nancy Whitmer;

French — Catina Beasley, daughter of Mrs. Kay Beasley and Dr. Wayne Beasley; Home Economics — Theresa Cunningham, daughter of Mr. and Mrs. Ted Cunningham; Mathematics — Deanna McMillen, daughter of Mr. and Mrs. Charles McMillen; Science — Tom Shupe, son of Mr. and Mrs. C. D. Shupe; W. O. W. American History — Brad Boone, son of O. B. Boone, Jr.; Speech — Ann Tutt, daughter of Mr. and Mrs. Odell Tutt; Industrial Arts — Deanna McMillen, daughter of Mr. and Mrs. Charles McMillen;

Vocational School Awards include: Business and Office — Melody Travis, daughter of Mrs. Betty Travis; Distributive Education — Janet Smith, daughter of Mr. and Mrs. Haskel Smith; and Industrial Education — Roger Simmons, son of Mrs. Charlotte Simmons.

Twenty-four students graduated with high distinction with an average of 94 or above. These include: Pat Baggett, Brad Boone, Melinda Cochran, Ken Farley, Jackie Galloway, Anne Gregory, Steve Hancock, Mary Ann Kurz, Mary Ann Littleton, Randy May, Deanna McMillen, Christine Montgomery,

Melody Travis, Jan Outland, Sherry Runyon, Tom Shupe, Lisa Smith, Roger Smith, Sonia Thomason, Greg Vaughn, Larry Watkins, Elizabeth Whitmer, Debbie Wilson, and Phillip Zacheretti.

Those graduating with distinction have an average of 90 to 94. They are Chuck Adams, Catina Beasley, Emily Byrn, Stuart Cottrell, Lucretia Crawford, Theresa Cunningham, Ali

Davari, Janie Flora, Debbie Gadberry, Debbie Gann,

Linda Hart, Leslie Homra, Mary Ann Jones, Pam Lassiter, Lisa McDaniel, Bill McHugh, Ricky Melton, Jeff Oakley, Beth Outland, Lisa Outland,

David Roberts, Susan Rogers, Janice Rose, Andy Ryan, Theresa Smith, Jane Suffill, Ricky Taylor, Jo Ann Williams, and Kelly Williams.

The following scholarships to Murray State University have been received by members of this class:

Board of Regents: Chuck Adams, Pat Baggett, Ken Farley, Mary Ann Kurz, Randy May, David Roberts, Lisa Smith, Roger Smith, Teresa Smith, Jane Suffill, Elizabeth Whitmer, Jo Ann Williams, Kelly Williams, Debbie Wilson.

French — Catina Beasley; Music — Lisa Francis and Teri McConnell; Honor — Steve Hancock; Special President's — Melinda Johnson; Journalism — Beth Outland; Alumni and National Merit — Lisa Outland; The James C. Williams — Sherry Runyon; Alumni — Tom Shupe; National Secretaries' — Melody Travis; Lions Club — Phillip

Zacheretti; Regents Scholarship to Western Kentucky University — Greg Vaughn; Music Scholarship to University of Kentucky — Anne Gregory.

Athletic Scholarships include: Basketball to David Lipscomb — Brett Harcourt; Football to Murray State — Lindsey Hudspeth; Football to University of Kentucky — Andy Ryan; Basketball to Murray State — Raymond Sims; Golf to Broward Junior College in Florida — Gary Sullivan; Ty Holland Scholarship — Bill McHugh.

Fifth honor graduate with a 95.76 standing was Sherry Runyon, daughter of Mrs. Marjorie Myers; fourth honor graduate was Jan Outland with a 95.92 average. She is the daughter of Mr. and Mrs. Charles L. Outland.

Third honor graduate Ken Farley, the son of Mr. and Mrs. Max Farley, had an average of 95.99.

The salutatorian was Steve Hancock, son of Mr. and Mrs. Roy Hancock, had an average of 96.31, and

Valedictorian was Deanna McMillen, daughter of Mr. and Mrs. Charles McMillen, had an average of 97.24.

Incomes Up More Than Costs Locally

Calloway County residents as a whole are in better shape, financially, than they were 15 years ago, the records show, despite the three major recessions that occurred during the period.

As in every other part of the nation, they have had to cope with steadily rising prices for goods and services. Their cost of living climbed to new heights, as a result.

The bright side of the picture, however, is that their incomes went up at a faster rate than their costs, except during times of depression, leaving them with more discretionary cash to spend after taking care of their normal needs.

In general, according to Bureau of Labor Statistics figures, it takes close to \$18 to buy what could have been bought for \$10 in 1960. The extent to which earnings exceeded this rate of inflation is a measure of the gains that were made since then.

In Calloway County, personal income rose to a record level, as indicated by the market research reports covering the period. For the average local household, it went from \$4,106 in 1960 to \$11,938 at the beginning of last year. The rise was about 191 per cent.

Elsewhere in the United States, it rose 130 per cent and, in the East South Central States, 145 per cent.

In part, the better incomes reflect the fact that wages and salaries moved upward in tandem, more or less, with living costs.

Also contributing to the rise was the massive movement of married women out of the home and into the job market. The extra paychecks enabled many families to upgrade their standard of living.

Investigation Of Fire Continues

SOUTHGATE, Ky. (AP) — Oran and Harriett Hall watched their son be married at the Beverly Hills Supper Club and then left the nightclub shortly before it burned. The fire killed at least 158.

The Halls held a reception in the Zebra Room, the area where some feel the fire started, for 24 guests.

"It got so hot we asked a waitress to check to see whether there was something wrong with the air conditioner," Hall of Elyria said on

Tuesday after returning from a holiday weekend camping trip, including the wedding. "But she never came back."

"My wife said she was so hot she was going to have to leave, so that broke up the reception at about 8:25 p.m. My son and his wife decided not to open the gifts there, so we all started home."

A half hour later the alarm was called late Saturday night to the small firehouse in this tiny city of 3,200 five miles south of Cincinnati.

Campbell County Coroner Fred Stine on Tuesday lowered the number of dead from the fire to 158, identifying all but six at the makeshift morgue in an armory nearby.

See FIRE, Page 12, Column Six

Burglary Reported At Motorcycle Shop

The Calloway County Sheriff's Department is investigating a break-in at Town and Country Yamaha, Highway 94 East, which apparently occurred over the holiday weekend.

Taken were five motorcycles, three of which were recovered by the sheriff's department. The two missing include a 100cc and a 125cc motorcycle. The three which were recovered were found in a roadside ditch near the motorcycle shop, according to the sheriff's office.

The intruders gained entry to the building by cutting a fence on the storage area.

Ammons Trial Continues In Paducah

Testimony continued today in the trial of Murray physician Dr. James Ray Ammons in U. S. District Court in Paducah.

Witnesses were still being called today for the United States, and officials had no estimate of when the prosecution would be finished with its case.

Ammons is charged on several alleged drug violations.

Itinerary For Band Trip To Contest Is Announced

The Murray High band will leave Thursday at 5 a.m. on their trip to the National Marching Band Championships to be held at Whitewater, Wis.

The band will spend much of the day Thursday on the road and will rehearse and possibly attend a preliminary contest as spectators later in the evening.

Friday morning the band will again rehearse in preparation for an appearance in preliminary competition Friday night. Saturday morning the band will attend another preliminary session as spectators.

Around noon, Saturday, twelve bands from the 35 competing bands will be notified to prepare for final competition to be held Saturday evening.

Each of the finalists will receive an award with first place in each division

receiving \$500 and a first place trophy. The grand champion overall will also be announced Saturday. The grand champion will receive another \$500 award, the grand champion trophy and will be proclaimed National Champion. The grand champ will also receive an invitation to the Orange Bowl in Miami.

Sunday, following the contest, the MHS band will travel to Milwaukee and spend part of the day at one of America's foremost zoological gardens. The band will spend Sunday night in Chicago and will tour the Museum of Science and Industry on Monday.

The band will arrive back in Murray at approximately midnight, Monday.

The trip is being paid for by the students themselves from fund raising projects that they have conducted and from their own funds, a band spokesman said.

Summer Reading Contest To Be Held At Library

"I am a Reader" is the theme of the Calloway County Public Library Summer Reading Contest beginning June 6, and continuing through July 30. Children who have just finished the first grade through children who have just finished the sixth grade are eligible to participate.

"The summer of '77 will be a challenging and different experience from reading programs held in the past at the library," Margaret Trevathan, Librarian, stated. Instead of putting the emphasis on the number of books read, emphasis will be placed on the quality and personal interest of reading.

Children just out of grades three through six will be given a form to fill out that states their reading preferences, such as: Sports, Music, Adventure, etc., and the form should be returned to the Public Library by June 6. These forms will be available at schools and the library.

Those who read five books, on their grade level, from the chosen categories will receive a custom-made T-shirt with the words "I am a Reader." The reader will be requested to write a one-page review of each book read and turn them

in to the library. Some of these may be published or used in the local news media.

Although the contest does not end until July 30, the T-shirts will be given as soon as five books are read so that the reader can advertise the fact that they are participating in the program.

There will be weekly programs and parties planned on all of the twelve reading categories listed. All children regardless of the subjects they choose to read about will be welcome to attend each program.

First and second grade children may read books from the easy shelves as usual, and the top three participants reading the most books will receive a T-shirt. They will sign up at the library on or before June 6 and begin counting the books read on Monday, June 6.

A large bulletin board will be decorated with the children's names on "tadpoles" and after 15 books read, they will become "frogs."

"All of the library staff members are looking forward to working with the summer reading participants," a library spokesman said. "We look forward to signing up hundreds of interested readers," they further added.

inside today

Two Sections — 20 Pages

The Murray High cafeteria was recently transformed into a French restaurant when the school's French club held its annual year-end get-together. The food and festivities, as well as a couple of recipes, are described in columnist Ann Uddberg's "Cooking Corner" on page 13.

Shrine Ladies

Sewing Group

Holds Meet

Mrs. William Arnold, Westwood Drive, Murray, was hostess for the Shrine Ladies Sewing Group on Tuesday, May 17.

A sack lunch was held at noon with Mrs. Arnold serving strawberry short cake, coffee, and iced tea.

The afternoon was spent sewing and several little garments were finished to send to the crippled children in Shriners' Hospital in St. Louis, Mo.

Ladies attending were Mrs. Henry McKenzie, Mrs. Fred Westfall, Mrs. Jack Norwine, Mrs. Woodrow Dunn, Mrs. Philip Cihfield, Mrs. Clark Joy, Mrs. Freed Cotham, Mrs. Norman Klapp, and Mrs. William E. Moffett.

The group will meet Tuesday, June 21 with Mrs. Westfall at her home at Cambridge Shores.

Local Scene

Miss Sarah Ross Honored At Shower At Jones' Home

Miss Sarah Ross, June 5th bride-elect of Jeffrey Lee Smith, was honored with a miscellaneous shower held on Thursday, May 26, at the home of Mr. and Mrs. Alvis Jones.

The gracious hostesses were Miss Lori Vaughn, Miss Lisa Winter, and Miss Lisa Jones.

The honoree chose to wear casual green and print dress for the occasion.

The refreshments table was beautifully decorated in red and white with a large bowl of fruits as the centerpiece.

Eighteen friends of the bride-elect were present with others sending gifts.

Send Envelope And She'll Return Favor

By Abigail Van Buren

—1977 by The Chicago Tribune-N.Y. News Synd. Inc.

DEAR ABBY: I'm half-crazy trying to find the recipe for your fabulous "can't fail" cheesecake. I cut it out of your column nine years ago, and whenever I've made it, I got raves. I never told anyone where it came from and never gave it out, and now I've lost it. Maybe God is punishing me for my selfishness. If I'd given it to just one friend, I could call her and get it back.

Will you please send me another one?

"JUST DESSERTS" IN N.J.

DEAR JUST: Your letter gives me an ideal opportunity to say something I've been wanting to say for 20 years. I can't help you because you failed to include your name and address. If it appeared on your envelope you are out of luck because the envelopes are discarded when my mail is opened.

Also, when I request something, I always enclose a stamped, addressed envelope for a reply. I feel that since I am asking for a favor, the least I can do is to provide the postage.

This month I have had approximately 2,000 requests for information about the "Salvation Army Missing Persons Bureau," "Fat Fannie Panty Hose," my "Ten Commandments for Husbands and Wives" and the usual letters from students asking me to help write their term papers. All expect me to fulfill their requests and pay the postage as well!

So, dear readers, if you want a favor, the least you can do is include a stamped, addressed envelope.

DEAR ABBY: I knowingly broke the law by failing to file or pay my income tax. "Knowing that I could be caught is driving me crazy. I'm even afraid to call the IRS out of fear that any questions will give me away.

Please, Abby, if there is any way I can pay now without going through a court proceeding and possible sentence, tell me about it. This is constantly on my mind and is becoming too much of a mental burden to bear.

ANXIOUSLY AWAITING YOUR REPLY

DEAR ABBY: Write to the IRS and "fess up." I understand that those who voluntarily admit to breaking the law are dealt with more leniently than those who are caught.

DEAR ABBY: A friend of mine sent for your booklet on "What Teenagers Want To Know," and he said it was the greatest. I want one, too, but it says in the paper to send \$1 plus a long, 24 cent stamped envelope. Please tell me how long a long envelope is.

FRANCIS C.

DEAR FRANCIS: Nine inches long.

Everyone has a problem. What's yours? For a personal reply, write to ABBY, Box No. 69700, L.A., Calif. 90069. Enclose stamped, self-addressed envelope please.

To Be Married

Miss Joan Edmonson

Mr. and Mrs. Herbert Edmonson of Murray Route Eight announce the engagement and approaching marriage of their daughter, Joan, to Buddy Shelley, son of Mr. and Mrs. Drane Shelley of Murray.

The bride-elect is a graduate of Calloway County High School and is now employed at Houston-McDevitt Clinic, Inc.

Mr. Shelley, a 1976 graduate of Murray State University, is now employed at Big Rivers Electric Company, Henderson.

The wedding will be solemnized on Saturday, June 18, at two p.m. at the First Christian Church. All friends and relatives are invited to attend the wedding.

Memorial Service For Mrs. Elliott Held By The Faith Doran Circle

A memorial service for Mrs. H. E. Elliott was held by the members of the Faith Doran Circle of the First United Methodist Church Women held May tenth at two p.m. in the Senior Youth Room of the church.

Mrs. Burnett Watterfield conducted the memorial service and was assisted by Mrs. David Henry and Mrs. Mattie Parker. Objects on the worship table represented those things Mrs. Elliott lived by during her lifetime.

The scripture and poems were taken from the book, "The Greatest of These Is Love" by Hazel Hoffman quoting "God's Holy Word Mingled With Roses." Miss Audie Green introduced Mrs. Watterfield.

The program opened with Mrs. Vernon Roberts giving the devotion on "Love" using scriptures from John 13, I Peter, and I Corinthians before closing with prayer.

Miss Meadow Huie presented an interesting program on "The New Or Different Life Styles" using various fields — economics, social, occupational and spiritual with members participating in the discussion. Miss Huie closed with prayer.

Refreshments were served by the hostesses — Mrs. Cletus Robinson, Mrs. Dewey Jones, and Mrs. E. W. Riley.

Lovins' Home

Scene Meet

The Gladys Williamson Group of the Sinking Spring Baptist Church held its May meeting at the home of Denecia Lovins with six members present.

Mrs. Lovins was in charge of the program and suggestions for new programs were given.

The scripture reading and prayer calendar were read by Becky Nance. Plans for the senior citizens luncheon were discussed.

Refreshments were served by Mrs. Lovins.

Burkeen and Carroll Wedding Vows Read

Mr. and Mrs. James Hugh Burkeen of Dexter Route One announce the marriage of their youngest daughter, Jennie, to Mark Carroll, son of Mr. and Mrs. Norman Carroll of Almo. The wedding vows were solemnized by the Rev. William McKinney at his home on Friday, May 27.

Both the bride and groom are graduates of Calloway County High School. The bride is employed at the Murray Ledger & Times, and the groom with Harold Swift, Brick Mason. They are residing in Murray.

Mrs. Carmichael Hostess For Church Women

The Baptist Women of the Elm Grove Baptist Church met Tuesday, May tenth, at 1:30 p.m. at the home of Jimmie Lee Carmichael with Lavine Carter, program chairman, in charge of the program. Each member present took part in the program.

June Crider gave the devotional reading scripture from Luke 4:16-21. Names of the missionaries having birthdays were read and each member joined in silent prayer with Mrs. Crider closing the prayer.

Electa Fulkerson presided in the absence of the president, Bobbie Burkeen. Reports were given by Lavine Carter and Letha Cossey.

Refreshments were served by Mrs. Carmichael. Also present were Elizabeth Matthews, Tennessee Outland, Floy Caldwell, and Zella Futrell.

The next meeting will be held June 14 at the home of Tennessee Outland.

Births

WARREN GIRL

Mr. and Mrs. James L. Warren of Mayfield Route Three are the parents of a baby girl, Angela Michelle, born May 9 at the Murray-Calloway County Hospital.

Grandparents are Mr. and Mrs. Ed Warren and Mr. and Mrs. Jack Boston, all of Mayfield.

BLOODWORTH GIRL

Mr. and Mrs. Everett Earl Bloodworth of Murray are the parents of a baby girl, Laura Jo, born on May 4 at the Western Baptist Hospital, Paducah.

Grandparents are Mr. and Mrs. Everett Bloodworth of Mayfield Route Five and Mr. and Mrs. John Rayburn of Paducah.

Thomas Jefferson, the U.S. president, was a redhead.

We are pleased to announce that Susan (Johnson) and Pete Roney have selected their pottery, crystal and stainless from our complete bridal registry.

Charity Ball Aids Comprehensive Center

Eight years ago the Day Care Center at the Murray-Calloway County Comprehensive Care Center was organized to meet the needs of children with developmental disabilities. Since that time the program has grown to become one of the outstanding Day Care Centers in the state.

In 1975, an Adult Day Care Center for young Calloway County adults with developmental disabilities was added to the community service.

The thirteenth annual Charity Ball on June 4, will aid local mental health and mental retardation service programs through the Murray-Calloway Comprehensive Care Center.

Citizens are urged to support this event by purchasing a ticket to the Charity Ball which will be held on Saturday, June 4, 1977. For tickets contact Mrs. Dwain Taylor, phone 753-8489 or Mrs. Bill Hopson, phone 753-9250. Cash donations are also accepted and should be directed to Mrs. Howard Tittsworth, Olive Blvd., phone 753-5828. Tickets will be available at the door.

Darrel Watkins helps Jean Edwards and her puppet play the tamborine.

John Phillips enjoys listening to stories at the center.

The Editor's Notebook

By GENE McCUTCHEON
Murray Ledger & Times Editor

We read the other day of a school district in Texas that has apparently made a valiant attempt to comply with Title IX, the federal ban on sex discrimination.

The Lubbock independent school district has issued a new school dress code that would warm the cockles of a federal bureaucrat's heart.

Lubbock's girl students are prohibited from growing beards and boys may not wear strapless dresses or see-through blouses.

Commented one school official: "We simply eliminated references that apply to only one sex. That's the way Title IX is."

O+O

We have failed to give 20 million American children under the age of 15 the kind of medical protection they need to be safe from crippling disease.

This spring Los Angeles County had to bar children from school who were not properly immunized against measles.

The threat to our children spreads across the nation, involving polio, German measles, diphtheria, whooping cough and tetanus as well as measles.

These diseases can be killers. They can leave children paralyzed, blind, mentally retarded or with weak hearts or kidneys.

The tragedy when one of them cripples a child is made more hear-

trending by the fact that it is entirely unnecessary. Vaccination can give complete protection against all of these diseases.

But parents and providers of health care have become complacent. Nearly 40 per cent of the children are not fully immunized. The rate is especially high among the children of the poor, who need protection against health hazards perhaps more than any other children, because they are more exposed to infection and to dangerous complications of disease.

The low rate of child immunization must be regarded as a national shame. Society as a whole must become more aware of it and must rectify it.

O+O

Have you ever been in a factory where the machines did all the work and humans were scarce. The sight is scary, not because the machines seem to think, but because they seem to think better than we do.

O+O

"It is an undoubted truth that the less one has to do the less time one finds to do it in. One yawns, one procrastinates, one can do it when one will, and, therefore, one seldom does it at all; whereas, those who have a great deal of business must buckle to it; and then they always find time enough to do it."

—P. D. S. Chesterfield (1694-1773)

EDITORIAL

Justice Miscarriage

A Federal grand jury in New York City has returned an indictment charging that a former Special Agent for the FBI has been involved in illegal mail openings, wire taps and general conspiracy in connection with the terrorist activities of an organization known as the Weathermen.

Former agent John J. Kearney faces the prospect of up to 25 years in federal prison.

What a sorry commentary on the relative positions of criminals and law enforcement officers in the United States anymore.

For memory's sake, let us look at the record. In 1970 the Weathermen bombed the Golden Gate Park Police Station in California, injuring a

10 Years Ago

Marsha Hendon, daughter of Mr. and Mrs. Bill Ed Hendon of Murray Route Five, has been selected Dairy Princess for Calloway County. She is a graduate of Calloway County High School and a sophomore at Murray State University.

Forty vehicle accidents were reported during the month of May in the city of Murray, according to the reports filed by the investigating officers. No fatalities were reported but several persons were injured.

Margaret K. Winchester, teacher at Hazel, has been selected as one of thirty-six teachers to participate in the NDEA Institute on Reading to be held at the Lincoln Memorial University, Harrogate, Tenn.

Helen Hodges reviewed the book, "The Thread That Runs So True," at the Calloway County Public Library on May 30. The author, Jesse Stuart, was also present for the review and to meet the people and autograph his books.

20 Years Ago

Special service awards were presented by Eulis Goodwin, chairman of the Agricultural Stabilization and Conservation committee, to local persons for years of service at the local office. They are Kathleen Outland for fifteen years, and Martha Sue Frizzell and John Harvey Perkins, each for ten years.

Jean Butterworth, daughter of Dr. and Mrs. A. D. Butterworth, received the Master of Arts degree on May 31 at the George Peabody College, Nashville, Tenn.

James Garrison, Howard Koenen, and Ray Kern are new members of the Murray Rotary Club.

Births reported include a girl, Patty Jane, to Mr. and Mrs. Silburn Colson on May 17.

McClain's Grocery opened today in the former W. O. Vaughn building at Five Points.

number of police officers and killing one.

Subsequently, the Weathermen claimed credit for bombing the State Department headquarters June 9, 1970; the Presidio Army Base and Military Police Station in San Francisco on July 26, 1970; the Marin County (Calif.) Courthouse on October 8, 1970; the U.S. Capitol in District of Columbia March 1, 1971; the Pentagon on May 19, 1972; the HEW Office in San Francisco on March 6, 1974; and some ten other such sites from 1970 to 1974 in New York and California.

Other bombings they claimed include the Latin American Headquarters of the International Telephone and Telegraph Company of New York on September 27, 1973; the headquarters of Gulf Oil Corporation in Pittsburgh in 1974; the Office of the Anaconda Brass Company of Oakland, Calif., in 1974; and the national headquarters of the Kennecott Copper Company in Salt Lake City in September, 1975.

For his role in trying to stop these depredations former FBI agent Kearney now faces 25 years imprisonment.

We are not upholding illegal acts by law enforcement officers, but we are protesting dumping of the whole load of retribution on one man, for carrying out orders.

For a quarter of a century, the FBI, on orders of J. Edgar Hoover, undertook illegal breakings and burglaries aimed at catching or exposing enemy agents. In a milieu when precious little was being done by any other arm of the government to stop terrorist activities, the FBI reacting to public pressure, waged all-out war on terrorists.

Now, unless the same voices that clamored for an end to terrorism speak up for those who thwarted it, we are going to see a sad miscarriage of justice.

Bible Thought

It is better to dwell in a corner of the housetop, than with a brawling woman in a wide house. Proverbs 21:9.

A kind wife makes for happiness in any house.

HEARTLINE

HEARTLINE is a service for senior citizens of all ages. Its purpose is to answer questions and solve problems — fast. If you have a question or a problem not answered in these columns, write HEARTLINE, 114 E. Dayton St., West Alexandria, Ohio 45381. Senior citizens will receive prompt replies, but you must include a stamped, self-addressed envelope. The most useful replies will be printed in this column.

HEARTLINE: I have an 83-year-old aunt whom I have been taking care of for the last five years. She is getting very hard to handle and I feel she would be better off staying in a nursing home. I do not know too much about picking a nursing home, though, and I am afraid to just select one at random. I was wondering if you have any information that could help me. N.T.

ANSWER: Heartline has developed literature on what a person should look for in a nursing home. To receive a free copy of this, write to "Heartline — Nursing Home," 114 E. Dayton St., West Alexandria, Ohio 45381. Please enclose a long, self-addressed, stamped envelope.

HEARTLINE: I am 52 years old and I work under Civil Service. I have heard about an optional retirement for workers like me. Can you tell me how a person can be eligible for it? J.K.

ANSWER: An employee is eligible for optional retirement upon meeting one of the following minimum combinations of age and service.

1. Age 62 with 5 years of service.
2. Age 60 with 20 years of service.
3. Age 55 with 30 years of service.

Both age and service requirements must be met at time of separation. For instance, an employee who separates at age 53 with 31 years of service will not be eligible for annuity at age 55 but will have to wait until 62, when he or she will be eligible for a deferred annuity.

HEARTLINE: I work in the railroad industry and am nearing retirement age. I have heard about a supplemental annuity, but I can't seem to find out if I have qualified for this. Can you tell me how a person qualifies for one? J.C.

ANSWERS: An employee with 30 years of service whose regular railroad-retirement annuity begins after June, 1974 can receive a supplemental annuity as early as age 60. Other eligible employees must be at least 65 to qualify.

You must have a minimum of 25 years (294 months) of creditable railroad service, and have a current

connection with the railroad industry when your regular annuity begins. Also, your regular annuity must have been awarded after June 1966, and you cannot work for a railroad or railroad union after your closing date.

In general terms, an employee has a current connection if he has at least 12 months of railroad employment during the last 2½ working years before retirement. If an employee does not qualify on this basis, an earlier 2½ year period with 12 months of railroad service may be used, but only if he did not have a regular nonrailroad job following this period.

An employee's closing date is the last day of the month following the month in which he attains age 65. A special closing date may be used for employees not entitled to Social Security benefits if they have at least 270 but less than 294 months of service on their regular closing date. Such employees must stop railroad work by the end of the month in which they complete the minimum service necessary to receive supplemental annuities.

Employees or retirees who work for a railroad or railroad union after their closing date permanently forfeit their entitlement to a supplemental annuity.

Supplemental annuities awarded after 1974 are equal to \$23 plus \$4 for each year of service over 25, up to a maximum total of \$43.

Pre-1975 awards of supplemental annuities ranged from \$45 to \$70, but they were accompanied by a reduction in the regular annuity which is not applied to new awards. The total net amounts payable are, therefore, about the same as before. However, employees awarded supplemental annuities after 1974 have a tax advantage because supplemental annuities are taxable while regular railroad retirement annuities are not.

Let's Stay Well

Arthritis and Heart Pain

By F.J.L. Blasingame, M.D.

Mrs. M.T. writes that she had been fearful for months that her husband might die from an attack of angina pectoris but has been reassured by a consultation with another physician that he has no trouble with his heart.

She and her husband rejoice at the good news but continue to wonder how rheumatism can produce symptoms like angina.

A. When pain arises from an unusual source in the body and sends impulses to the spinal cord, the brain may interpret the pain as coming from usual sources that cause pain at the level of the spine. These symptoms are called referred

pain, such as which happen when the circulation to the heart is inadequate to supply enough oxygen.

If a person has rheumatism (usually older persons have it in the form of osteoarthritis, which produces pain in the neck (cervical spine), arm and upper chest, the pain may mimic that which comes from the heart.

Of course, a person may have pain arising both from the heart and from a rheumatic condition in the spine. Physicians have to take care to differentiate the source of the pain because treatment is different for heart pain than for arthritis.

A careful examination of the

spine is often helpful in determining the cause. Rotation of the head from one side to the other may cause pain. Pressure with examining fingers may locate tender points as the muscles and joints are moved.

X-rays may show characteristic bony changes, and persons who have been having pain for months may exhibit a slightly stooped or hunched position which has been assumed to lessen movement and pain.

Care must be taken to see that the heart has an adequate blood supply. An electrocardiogram, exercise tests, and even coronary artery x-rays may be necessary.

Giving a nitroglycerin tablet to help in a diagnosis is not

useful because this medication may benefit the pain whether it is from the heart or from arthritis of the spine.

Traction on the cervical spine (usually can be done at home) and rheumatism medicines often bring benefits. In severe cases, consultations with an orthopedic surgeon or a neurosurgeon may be needed to see if an operation is required to relieve the irritation on the nerves or to reduce the movement of the joints.

Persons with angina pectoris need a careful evaluation to determine if pain is probably coming from rheumatism. Also, rheumatism persons may develop angina. It is important to differentiate.

F.J.L. Blasingame, M.D.

Dear Editor:

We are writing in regard to the notice you had in your paper about postal service.

Everything is so high we can hardly meet our bills. I would rather take two days off if necessary rather than raise postage.

I can remember when two cents

carried a letter I wrote to girls both living in Tennessee.

Our older folks can't keep up with the times. I can do without my mail if it will help.

Sincerely yours,
Noril & Pearl Pendergrass
Rt. 1
Murray, Ky.

I would like to challenge the citizens of our community to request to the proper authorities that our churches, local, state and federal buildings, local grade and high schools and university buildings, be checked at once to see if we at least meet the minimum requirements of the fire code.

The first place I would like to see changed is our courthouse. Doors that open in instead of out could be the cause of someone dying an untimely death.

Were any of you in the courthouse when we had our earthquake a few years ago?

It can happen here.

Sincerely,
Bob Perry
Murray, Ky.

An Act Of Man

Dear Editor:

The Department of Fish and Wildlife says discharge of City of Murray sewage into Clarks River caused thousands of fish to die.

City Attorney Overbey says the leakage was caused by malfunctions and an act of God, and the department can not sue God.

If it were possible to sue God, some greedy attorney would try.

God did not cause sewage discharge into Clarks River. It was an act of man.

Could Do Without Mail

Corn And Beans Need Good Rain Says Harris

FRANKFORT, Ky. (AP) — Kentucky farmers have had enough dry weather for haying and now need "a real root-soaker" to prevent damage to their corn and soybeans, says Agriculture Commissioner Thomas Harris.

While scattered showers have crossed the state in the past few days, Harris said Tuesday that most farms have received too little moisture for corn and soybeans that have been planted to sprout.

"It rain doesn't come in two to three weeks, he said, the corn and beans may rot in the fields without sprouting.

Ninety per cent of the state's corn crop has been planted, Harris said, "and some of it has not had enough rain to germinate it. The rain is just lying there in the field."

Harris said Kentucky farmers have done about half their soybean seeding, "and that's in the same state as the corn. It needs rain to germinate."

The commissioner said 85 to 90 per cent of the pasture land in the state "is starting to show dry weather damage."

"If we go another two weeks without rain in some of these places they're going to really be burning," Harris said. "This is a critical time."

If the corn and soybean crops go that long without rain, he said, "they'll be spotty. The plants will come up where there's some moisture left in the ground but not where it's dry."

A spotty crop means a difficult harvest and low yields, he said.

The dry weather has been good for haying, he said, but more dry weather will cut hay production.

"There was a lot of good quality hay made during the dry spell. When it's dry you can cut it," he said. "But if we don't get rain now the second

crop will be short."

The tobacco crop is suffering least of all so far, Harris said.

"It looks like approximately 52 per cent of the tobacco has been set statewide, and up to 60 per cent in central Kentucky—the bluegrass area. We're probably moving along a little faster than usual," he said.

"And it seems to be doing unusually well. The growers are getting plenty of plants, particularly those that water regularly," he said. "If the plants continue to live, we'll get out one of the earliest crops in a long time."

Actually, the dry weather, if it doesn't continue much longer, can benefit the new tobacco plants, Harris said. "These new little plants are putting out good roots looking for water, and that gives them a good root system to start with."

But in the tobacco patch as well as the corn and bean fields, he said, "if it continues this way and we don't get rain then the problems will begin to pile up."

Harris said according to what his department has learned from farmers across the state, "about 85 to 90 per cent of the state is short on water. The rest of the state has adequate moisture, and nobody's got a surplus."

The lack of rain will get harder on the new crops, he said, "as the temperatures get higher and the ground gets dryer."

Scattered showers such as have occurred in the last few days help a little, but farmers need more rain than that, Harris said.

"If this continues another two or three weeks the farmers will be in bad shape," he said. "What we need is a real rootsoaker, and that's what we're not getting."

Clarification Sought On Molluccan Request For Outside Mediators

ASSEN, The Netherlands (AP) — The Dutch government sought clarification today of a request for outside mediators by South Moluccan terrorists holding at least 55 hostages on a train in northeast Holland for nine days.

The cabinet, after a meeting that lasted past midnight, asked the terrorists just what kind of mediation they wanted and who might be acceptable.

Toos Faber, spokeswoman for the Justice Ministry, said there had been telephone conversations with the terrorists since then about food deliveries but no response by midmorning to the request for clarification.

Johan Manusama and other moderate leaders of the 40,000 South Moluccans living in The Netherlands were instrumental in ending a similar siege in December 1975, when South Moluccan extremists seized a train and the Indonesian consulate in Amsterdam.

But an open letter Tuesday from young supporters of the terrorists spoke of a division between the extremists and the moderate leaders. The Amsterdam newspaper De Volkskrant said Moluccan sources reported Manusama would be "thrown out" if he turned up in Bovensmilde, 10 miles south of Assen, where four teachers are captives of a second group of extremists who held 105 schoolchildren for three and four days last week.

The request for mediators was made Tuesday by the seven to 10 South Moluccans on the train outside Assen, apparently without the concurrence of the four extremists in the Bovensmilde schoolhouse. The direct telephone line between the train and the school broke down over the weekend, and technicians refused to run the risk of being shot to fix it.

Separate lines to the train and the school are still operating, and psychiatrist Dick Mulder continues to talk with the terrorists on behalf of the government. The Justice Ministry said the group on the train called back twice on Tuesday seeking a reply to their request for mediators.

They were told the request was being discussed, a spokeswoman said.

She refused to say whether the terrorists had suggested any specific mediators.

The South Moluccan extremists have been waging a sporadic campaign of terror and sabotage since 1970 to call attention to their demand for independence from Indonesia for their native islands, which along with the rest of Indonesia were part of the prewar Dutch East Indies. The Dutch say they have no influence over their former colony, which got its independence in 1949.

The terrorists who seized the train and the school on May 23 demanded the release of 21 other South Moluccans imprisoned for terrorist activity or sabotage and a plane to fly all of them out of the country.

Payment Standards

To Increase

FRANKFORT, Ky. — Payment standards for Kentuckians receiving Supplemental Security Income (SSI) benefits will increase \$10 beginning July 1 in compliance with a directive from the Health, Education and Welfare (HEW) regional office in Atlanta.

"We are making the necessary arrangements to raise the state levels for personal care, family care and caretaker services by \$10 so that Kentucky's supplementation recipients receive the full benefit of the SSI cost of living increases," said Gail S. Huecker, commissioner of Human Resources' Bureau for Social Insurance.

The SSI full payment scale will increase from \$167.80 to \$177.80. Payment standard will rise from \$310 to \$320 for personal care, from \$248 to \$258 for family care and from \$206 to \$216 for single individuals in a caretaker situation. Proportionate increases will be made for caretaker couples.

Huecker said the state's failure to implement the HEW directive could result in withholding of federal Title XIX funding.

Graves Survives Fire But Haunted By What Happened To Man, Girl

FRANKFORT, Ky. (AP) — What haunts Ralph Ed Graves is what became of a man and little girl whose party he exchanged tables with his group in the ill-fated Beverly Hills Supper Club.

Graves, a state official said he believes the exchange was the reason his group survived the disastrous fire.

"There were seven of the others, but all I remember is a man with a little girl maybe 10 years old," said Graves, commissioner of the Department For Local Government.

"I don't suppose I'll ever know what happened to them—we never did find them after the fire—but I don't think I'll ever forget them."

The Beverly Hills club near Southgate burned Saturday night and 158 persons died.

Graves, a three-time former legislator from Bardwell in Carlisle County, recalls that when he entered the Beverly Hills—it was his first time there—with three others, he automatically looked around "to accustom myself... and I located three exit doors."

Such caution is built into Graves from his days as a fireman from 1950 to 1960 at Lexington. As he described it:

"When we came into the Cabaret Room, a waitress started to seat us in a corner booth which ordinarily held eight people."

"Then a fellow in the far

corner from us asked if we would change seats because he had seven at a smaller table and we agreed."

In Graves' party were Mary Ellen Adams of Lawrenceburg, her brother Ralph Perry of Edgewood and Perry's wife Ann.

Graves said in an interview that the revised seating arrangement put the four only 50 feet or so from the nearest exit whereas "I could not even have been able to see any exit from the table we left."

His afterthought: "I was very lucky."

Graves was back at his post Tuesday, receiving congratulations from colleagues and employees for surviving the disaster.

His description of activity immediately after the first fire warning by a busboy tallied with that of other survivors.

He said there was no panic at the outset because he believed the busboy's statement that there was "a small fire" in the vast building and the customers should leave calmly.

"I stood up immediately, stepped back to let the ladies pass and people began walking out calmly," Graves said.

"Then our group got separated. We reached a hallway, a woman employee directed us to the next turn and we were outside. It all took maybe 30 to 40 seconds."

Looking back, he suggested to his companions that maybe he ought try to go back and help.

Then, he said, he saw the exit engulfed in flames and realized it was hopeless.

"I read in the paper where the comedians (who were finishing their act before entertainer John Davidson's scheduled appearance) also warned customers to leave," Graves said. "We were already out before that."

From his firefighting experience, the former legislator said "my observation is that the fire spread so quickly it had to be shooting through the ventilation system."

"PRETTY BABY"

NEW YORK (AP) — Keith Carradine, Susan Sarandon and Brooke Shields will star in Paramount Pictures' new film about New Orleans' red light district in the early 20th century.

"Pretty Baby" is the true story of a child raised in "Storyville" and her association with a man who photographed the women working in its bordellos.

Academy-award-winning cinematographer Sven Nykvist has been signed as director of photography. The picture will be produced and directed by Louis Malle, who together with Polly Platt wrote the original screenplay.

However, Friedman said that Davidson still plans to open Thursday at Harrah's Club in Reno.

Herro, a longtime associate and friend of the singer, died in the fire Saturday at the sprawling Beverly Hills Supper Club in Southgate, one of 158 victims of the inferno.

Herro's funeral will be today at 11 a.m. at the San Fernando Mission, Friedman said. Burial will be private.

The 36-year-old entertainer, who was in his dressing room backstage when the fire broke out, returned to Los Angeles Sunday and has remained in seclusion at his Hidden Hills residence.

Trailblazers Mop 76ers But No Celebrating Yet

By BOB BAUM
Associated Press Writer
PORTLAND, Ore. (AP) — Blazersmania may be sweeping the city of Portland, but all is calm with the young basketball team.

"I'm not impressed," said a grim-faced Maurice Lucas after the Trail Blazers routed the Philadelphia 76ers 130-98 Tuesday night, tying their National Basketball Association championship best-of-seven series 2-2.

"I won't be impressed until we win the final game," the 6-foot-9 Portland forward said. "I'm not excited, just ready."

Lucas and his teammates had everything their way in Game Four. Guard Lionel Hollins, who hit just four of 17 shots in the third game of the series, made nine of 16 Tuesday night and led all scorers with 25 points. Lucas had 24 points and 12 rebounds. And both sat out most of the final quarter as Coach Jack

Ramsay employed his reserves.

But there were no whoops of joy or wild celebrations in the Portland locker room.

"The margin of victory is not significant," cautioned Ramsay. "It's just a victory. We're now in a three-game series and two of the games are on Philadelphia's court."

He meant that two straight home-court triumphs had gotten the Blazers back where they started when the series began, needing a victory on the 76ers' court. They will get their chance Friday night in Game Five.

"We're not a very emotional team," said Blazers guard Dave Twardzik. "When Philadelphia won that first game, you would have thought it was the seventh game of the series the way they acted."

If the Blazers were not impressed by their own awesome show of basketball strength Tuesday night, the 76ers were.

"Every time they touched the ball it went in," sighed Philadelphia's Darryl Dawkins. "We were blitzed."

The Blazers hit nine of their first 10 shots, ripped open a 19-4 lead five minutes into the game, and Philadelphia never got any closer than 11 points after that.

"Portland was super, absolutely super," said 76ers Coach Gene Shue. "They took control early. They threw us out of whatever we wanted to do. They were in complete control. In fact, it was barely a

game."

It appeared Philadelphia would get a chance to make a run at the Blazers when Portland's Bill Walton drew his fifth foul and left the game with 7:02 remaining in the third quarter and the 76ers trailing 71-57.

"I knew I had to get the rebounds and play good defense," said Lloyd Neal, who had 11 rebounds in 22 minutes of play.

The game became even more lopsided. Ramsay emptied the bench, but it did not matter. The lead widened to 41 points, 126-85, with 1:51 left in the game.

Walton played slightly more than half the game, scored 12 points, grabbed 13 rebounds and handed out seven assists.

Julius Erving, who left the game with four fouls in the third quarter and played only sparingly after that, hit seven of 14 from the field and led the 76ers with 24 points. But he had just two assists, far below his output in the first three playoff games.

BASEBALL

NEW YORK — Joe Frazier was fired as manager of the New York Mets and replaced by veteran infielder Joe Torre, who was given a contract through the 1979 season.

NEW YORK — George Foster of the Cincinnati Reds, who hit seven home runs and drove in nine runs, was named the National League's Player of the Week for the period ending May 30.

THANK YOU

I would like to express my gratitude to everyone who helped and supported me in the election.

Twins Whip Orioles Again As Redfern Ends Long, Dry Spell

By BOB GREENE
AP Sports Writer

It just took a little time — 12 Minnesota hits — for Pete Redfern to gain his second victory of the season.

"Redfern has worked very hard trying to get his normal delivery," said Minnesota Manager Gene Mauch after his American League West Division-leading Twins defeated the Baltimore Orioles, leaders in the East, 8-3 Tuesday night.

"I just wanted to throw strikes," Redfern said. "It's been hard getting my rhythm back, but I had it against Baltimore and I just hope I'll be able to pitch like that every time out."

Redfern, who won his first game in more than seven weeks, needed relief help in the ninth inning. But it was the

Minnesota hitters who gave him the support.

Six Minnesota players drove in runs. The other two runs scored on an error.

In other AL games, Detroit defeated Oakland 5-2, "California nipped Cleveland 7-6 in 10 innings and Boston downed the New York Yankees 5-1.

The Twins defeated their long-time nemesis Rudy May, 6-5, chasing the left-hander with a four-run sixth inning that gave Redfern a 7-1 cushion. May entered the game with a 13-7 lifetime record against the Twins, including a shutout over them last Friday.

Tigers 5, A's 2
Eighth-inning home runs by Mickey Stanley and Milt May powered Detroit over Oakland and snapped the Tigers' six-game losing streak.

A two-run seventh-inning rally against loser Vida Blue, 3-6, put Detroit ahead 3-1. Stanley and May homered off reliever Bob Lacey.

Marty Perez homered for Oakland, as John Hiller, 2-5, got the victory, although needing help in the ninth.

Angels 7, Indians 6, 10 innings
Jerry Remy's fifth hit of the game scored pinch runner Gil Flores as California edged Cleveland in the 10th inning.

Cubs And Reds Take Wins In T-Ball Action

The Cubs took over the league lead in T-Ball with a 30-25 win Tuesday night in the first of two contests held in that league.

In the other game, the Reds won 29-25 over the Yanks.

For the Cubs, who won their third game in as many outings, Chad Woods, Jason Sammons, Tripp Nix, Jenny Darling, Monty McCuiston and Jimmy Hill all had four hits apiece. Stephanie Sammons, Bruce Thurmond, Cary Story and Mark Watkins had three hits apiece while Andy Rickman and Shane Nance had two hits apiece.

Woods had two homers while Nix and Story each hit one for the Cubs.

For the Cards, Michael Hopkins, Chip Adams, Matt Shipwash, David Potts, Kevin Tucker, Tommy Adkins and Greg Moffitt all had three hits while Kyle Farrell, Clint Hutson and Trey Fitch had one hit apiece.

Potts had two homers for the Cards while Shipwash and Morton had one.

In the second game, Stephen Lovett, Justin Crouse, Chris Hays, Eric Hogancamp, Frank Blaustein, Angela Woods and Stacey Walker all had three hits for the winning Reds while John Kind, Mike Fulton, Jim Stahler, Charlie Marelllo and Stephen Downy had two hits. Andy Marelllo and Mickey Carson each had one hit.

Lovett had two homers for the Reds while Crouse, Hays, Hogancamp and Fulton each hit one homer.

For the Yanks, Brian Carroll, Mark Miller and Dean Shumaker had three hits. Bill Fandrich, Jonathan Burkeen, Kevin Barrow, Michael Brock, Jay Hammock, Dustin Harrell, Mickey Hill and Amy Wallace all had two hits.

Jamie Futrell, Russ McCutcheon and Aaron Brun added one hit apiece for the Yanks.

Carroll had two homers while Barrow had one for the Yanks.

For the Dodgers, Tony Herndon had a pair of hits to account for half his team's hit total. One of Herndon's hits was a solo homerun.

Also hitting safely for the Dodgers were James Bynum and Eric Lovins.

In the second Pony League contest Tuesday, the Phillies edged the Orioles 9-8 in eight innings.

Eddie Rhodes came on to hurl the final two frames for the Phils and got the win.

Marty McCuiston had three hits to pace the 10-hit offensive putout by the Phils while Kim Kendall and Tim Foster each had two hits.

Also hitting safely for the Phils were John Fry, Bruce Taylor and Robin Roberts.

David Story had two of the six hits for the Orioles while Todd Bradshaw, Don Hargrove, George Bell and Gary Sims had a hit apiece.

Indians, Phils Grab Wins In Pony League

The Pony League season got started Tuesday night with a pair of extra-inning contests being played.

In the first game, the Indians had to go eight innings before taking a 10-7 win over the Dodgers.

Robert Santagado came in to hurl the final two innings on the mound for the Indians and picked up the win. Santagado fanned five men and walked two during his two frames on the hill.

Lynn Lee led the 10-hit Indian attack with a pair of base raps while Todd Rutherford, Charlie Santagado, Robert Santagado, Stacey Smith, Ronnie Pace, Bill Berberich, Jeff Graves and Mark Smith all added one hit apiece.

For the Dodgers, Tony Herndon had a pair of hits to account for half his team's hit total. One of Herndon's hits was a solo homerun.

Also hitting safely for the Dodgers were James Bynum and Eric Lovins.

In the second Pony League contest Tuesday, the Phillies edged the Orioles 9-8 in eight innings.

Eddie Rhodes came on to hurl the final two frames for the Phils and got the win.

Marty McCuiston had three hits to pace the 10-hit offensive putout by the Phils while Kim Kendall and Tim Foster each had two hits.

Also hitting safely for the Phils were John Fry, Bruce Taylor and Robin Roberts.

Oaks Club To Open Play In Junior Golf

Junior golf at the Oaks Country Club will open at 4 p.m. next Monday, June 6.

Any boy or girl 16 years of age or under is eligible to participate in junior golf.

Prospective players should sign up in the pro shop on or before Saturday, June 4.

Junior golf will be held each Monday at 4 p.m. and later in the summer, there will be a junior golf club tourney for the Oaks youngsters.

Also being planned is the first annual Oaks Junior Invitational Golf Tournament.

ALL-AMERICANS—Four members of the Murray High girls' tennis team were recognized by the High School All-American Publication for their accomplishments. Left to right are Carol Dick, Robyn Burke, Coach Lanette Hunt (with the letter of recognition), Jill Austin and Kathy Outland.

(Staff Photos by Mike Brandon)

Five Local Girls Named To All-America Honors

Five local high school athletes have been selected to All-American honors.

Four are members of the girls' tennis team at Murray High and the other is Calloway County High School track star Felicia Pinner.

The announcement was made by High School All-American Publications of Manchester, New Hampshire.

The local athletes will receive a copy of the publication and in addition, a copy of the book will be sent to colleges throughout the nation.

The four tennis players from Murray High are Kathy Outland, Jill Austin, Robyn Burke and Carol Dick.

Outland, who plays the number one singles for the Tiger girls, is 25-3 over the past three years in the singles.

In addition, last week she won the Regional Tournament doubles title along with eighth

grade standout Candy Jackson and the pair will be in the state tourney which will be held Friday and Saturday in Lexington.

Outland is a freshman. Jackson no doubt, would have been selected as All-American too but in order to be considered for the honor, an athlete must be in high school.

Jill Austin, a junior for the Tigers, is undefeated over the past three years in the singles with a 27-0 record. She plays the number three singles for the Tigers.

She won the Regional championship last weekend in the singles and of course, will be participating in the state tourney this weekend.

Robyn Burke is a freshman. She has a 31-3 career record including a 12-1 mark this season. Her only loss came last week in the finals of the Regional Tournament singles where she lost to Austin.

Carol Dick is also a freshman. In her last three seasons playing with the Tigers, she has amassed a 26-0 record in the singles.

Dick played at number five this season for the Murray High girls.

Pinner is a junior who excelled not only in track but also in basketball for Calloway County.

In basketball, she has been a starter for most of her three seasons and is an outstanding jumper and rebounder.

But her best sport is track. Last year, she won the state championship in the 440-yard dash and finished second in the 220-yard dash.

Just this past season, Pinner took second in both the 440 and 220-yard dashes at the State 2-A Track Meet.

Mets Give New Skipper Joe Torre Win In Debut

By HAL BOCK
AP Sports Writer

NEW YORK (AP) Forty-four games into the 1977 baseball season, the New York Mets have decided to start all over again.

So, forget if you can that 15-29 record that was the worst in the major leagues. Remember instead that under new Manager Joe Torre, the Mets are undefeated.

The new start, after all, had to begin somewhere. The Mets decided the best place would be in the manager's office.

So Torre was named pilot of the club Tuesday night and broke in with that rarest of Shea Stadium commodities, a 6-2 victory over the Montreal Expos. It was a game in which the Mets hustled from start to finish, another commodity that had not always been in evidence this season.

"They played like heck," said Torre. "They seemed to be trying for me. After they do it for me, I hope they do it for themselves."

The Mets had lost six straight and nine of 10 under

Manager Joe Frazier when time ran out on him. Worse than the losing streak, the team seemed to lack incentive.

"It makes an awfully long year if you quit in May," said Torre.

The club seemed to retract its collective resignation after the change in pilots. A 12-hit attack that included three doubles and a triple made it almost easy, even though Torre didn't think so.

"It's easier playing, I think," he said.

Sign Free Agent

ST. LOUIS (AP) — The St. Louis Cardinals have signed shortstop Tommy Sandy, 26.

Sandy became a free agent May 9 and has been playing with the Cardinals' New Orleans farm club. In 13 games at New Orleans, he hit .323 with three home runs.

He was declared a free agent as a result of a grievance filed against the Oakland A's in a dispute over renewal of his 1976 contract.

Bristol Says Reds Don't Need Help From Umpires

By KEN RAPPOPORT

AP Sports Writer
Dave Bristol says he has a right to kick. Lee Weyer says he has the right to kick, too.

Kick Dave Bristol, that is. "Bristol bumped me," said the National League umpire. "Bumping an umpire usually carries a suspension. You can't take that. Bristol said to me, 'You haven't given us anything in eight years.' I told him I'm just out there to call them right."

This electric exchange and subsequent banishment of the Atlanta manager took place Tuesday night after a controversial call in the eighth inning kept a Cincinnati rally alive and helped the Reds beat the Braves 5-3.

Bristol insisted that Cincinnati's Ken Griffey was out trying to steal second. But Weyer called him safe, in-hitter as the Dodgers dropped Dugger Bristol to come their fourth straight game.

charging out of the dugout.

Bristol expressed fears that Weyer has a "vendetta" against him. It was Weyer who threw Bristol out of a game last year in one of the more boisterous incidents of the 1976 season.

After Griffey stole second, he moved to third on a wild pitch and scored when Cesar Geronimo hit a two-run single for the Reds' ultimate winning runs.

"Well," sighed Bristol, "the Reds are back in the pennant race — and they certainly don't need any help from the umpires."

Astros 5, Dodgers 2
Julio Gonzalez' seventh-inning single snapped a 2-2 tie and ignited a three-run rally as Houston defeated slumping Cincinnati's Ken Griffey was out trying to steal second. But Weyer called him safe, in-hitter as the Dodgers dropped Dugger Bristol to come their fourth straight game.

J.R. Richard fired a seven-pitcher called him safe, in-hitter as the Dodgers dropped Dugger Bristol to come their fourth straight game.

Phillies 6, Pirates 5

Garry Maddox slugged a homer and a seventh-inning two-run triple, leading Philadelphia over Pittsburgh.

The Phils trailed 5-4 in the seventh when Larry Bowa led off with a walk off reliever Kent Tekulve and Dave Johnson singled. Maddox, who led off the Phils' first with his fourth homer, then ripped a shot to the right field corner that scored both runners for a 6-5 lead.

Cardinals 6, Cubs 0
Bake McBride scored on a wild pitch and Ken Reitz followed with a two-run single, keying a three-run rally in the first inning that led St. Louis over Chicago. St. Louis' John Denny, backed by the opening burst, pitched a five-hitter for his seventh victory without a loss this season.

Mets 6, Expos 2
John Milner drove in three runs with a pair of singles as New York ended a six-game losing streak by defeating Montreal in Joe Torre's debut as manager. Torre, replacing Joe Frazier, was named the Mets' new pilot at a news conference 90 minutes before the game.

Padres 4, Giants 2
Third baseman Bill Madlock's eighth-inning throwing error gave San

Diego its two winning runs over San Francisco. Three of the San Diego runs off Jim Barr were unearned as the Padres posted their fifth straight victory, including three under new Manager Alvin Dark.

Dave Tomlin was the winner with last-inning relief help from Rollie Fingers, who recorded his fifth straight save and 13th of the season.

Twins, Pirates Pick Up Wins In Little League

Gary Galloway and Craig Darnell threw pitcher's gems Tuesday night in Little League play to throw the league standings into a five-way tie.

In the opening contest, the Twins took a 7-3 win over the Reds behind the three-hit pitching of Galloway. In the nightcap, Darnell flipped a two-hitter as the Pirates smashed the Cards 8-2.

That left all four teams which played Tuesday night with a 2-1 record and those four, along with the Cubs who are 2-1, are all tied for first place.

Galloway got his second win of the season and chalked up seven strikeouts while walking four.

The Twins led 2-1 after four but in the top of the fifth, Tim Brown singled in Ray Fergerson who had doubled and Brown later scored on a single by Jimmy West and the Twins moved ahead 4-1.

The Reds scored in their half of the fifth to make it 4-2 before the Twins put the game away with three in the top of the sixth with Fergerson doubling in a run and Galloway aiding his own cause with an RBI single.

David McMillen, Steve Vincent and Cary Miller had a hit apiece for the Reds. Miller drove in two runs.

For the Twins, Fergerson and Brown each had two hits while Roger Dunn, Galloway, Ronnie Bryan, Jimmy West, David Snow, Stewart Alexander and Timmy Wright all had one hit for the winners.

In the nightcap, Darnell fanned 10 men and walked five and gave up lone hits to Brian Doyle and David York of the Cards.

Darnell got all the help he needed in the first when the Pirates scored three times. The big hit was a run-scoring triple by Darnell.

In the third, the Pirates added four more to go ahead 7-1 with the only hit in the frame being an RBI double by Eddie Burgess.

For the Pirates, Burgess had two hits while David Whitten, Rodney Key, Darnell and Steve McDougal all added one hit apiece. Darnell drove in three runs.

There are no games on schedule for tonight but two games will be played Thursday in the Little League.

Reds, Astros Win Kentucky League Games

Play in the Kentucky League opened with a pair of games being held Tuesday night.

In the opening contest, the Reds needed only three and one-half innings to win 27-8 over the Twins.

The Reds belted 12 hits while the Twins scored eight runs, all without the aid of a hit.

David West and Shane Guthrie pitched for the Reds, who scored 13 runs in the first inning.

Guthrie had three hits for the Reds while Rusty Wright, Shawn McClure and Alan Hargis each added two hits. Jeff Clendennon, West and Jeff Dowdy all added one hit apiece for the Reds.

The second game was a complete opposite as John McFerron hurled the Astros past the Cards, 4-3.

The Cards held a 3-0 lead but the Astros came up with four in the last of the fifth as John Mark Potts tripled for three runs and Todd Ross singled to drive in Potts with the tie-breaking run.

McFerron struck out 17 of the 18 outs in the game. He gave up just three walks.

For the Astros, Kelly Starks, Potts and Ross all had one hit.

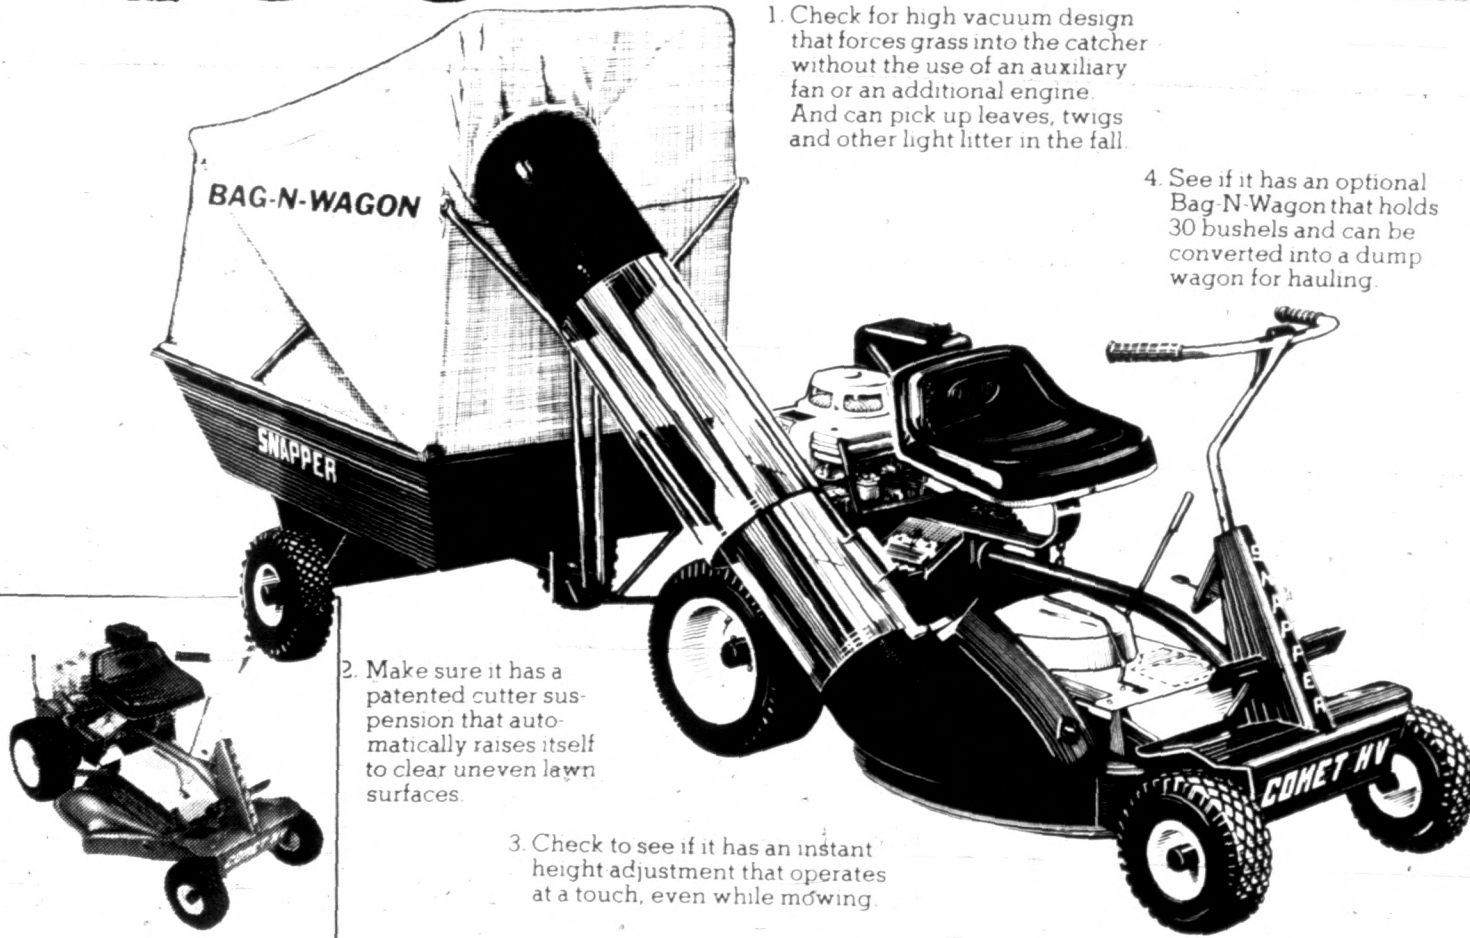

For the Cards, who outhit the Astros 6-3, Chris Starks had two hits while Steve Malone, Rick Grogan, Monty Morton and Mitch Grogan all had one hit apiece.

WANTED

Used Mowers

\$100 Reward

For Any Used Mower To Go Toward The Purchase Of A New Snapper Riding Mower

1. Check for high vacuum design that forces grass into the catcher without the use of an auxiliary fan or an additional engine. And can pick up leaves, twigs and other light litter in the fall.
2. Make sure it has a patented cutter suspension that automatically raises itself to clear uneven lawn surfaces.
3. Check to see if it has an instant height adjustment that operates at a touch, even while mowing.
4. See if it has an optional Bag-N-Wagon that holds 30 bushels and can be converted into a dump wagon for hauling.
5. Now, if it has everything we've mentioned so far, buy it. It's the new Snapper "High Vacuum" Riding Mower.

SNAPPER

All Snapper mowers meet A.N.S.I. safety specifications.

Fire Marshall Says Club In Substantial Compliance With Rules

LOUISVILLE, Ky. (AP) — The Beverly Hills Supper Club at Southgate, Ky., where 158 people lost their lives in a fire Saturday, was in "substantial compliance with the minimum fire safety regulations," State Fire Marshal Warren Southworth said Tuesday night.

Beverly Hills owner Richard Schilling was notified by letter March 3, 1976 that Deputy Fire Marshal John Bramlage had discovered four deficiencies at the nightclub during an inspection Feb. 5, 1976, Southworth said.

Schilling was ordered in the letter to install an approved-type emergency lighting unit at certain locations in the nightclub or repair an emergency standby generator to insure lighting facilities in case of a power failure. The Beverly Hills owner was also told to install an additional, approved type exit sign over the bar exit door, install a 3 1/4-inch, solidcore door and closures to storage areas at the north end of building, and have boilers inspected by the Boiler Bureau of the State Fire Marshal's office.

"The next correspondence was on Nov. 15, 1976," Southworth said, in which approval of "the recent additions" to the nightclub was noted. The same letter contained a reminder that "two additional exit signs are necessary and are to be located in the first-floor bar and dining room area."

Southworth said a final letter was mailed Nov. 16, 1976, again addressed to Schilling and noted that a final inspection of the building had been made and "Our field representative's report states that the above project was constructed in substantial compliance with the minimum fire safety regulations."

"That indicates they did carry out (corrections of

those four deficiencies," Southworth added. "The letter could not have gone out unless we had evidence or a report to indicate those deficiencies had been corrected."

The fire marshal said it isn't known yet if the exit lights continued to function during the fire.

"We had some 22 self-contained emergency exit units in that building," he said. "It's always possible there could have been a mechanical failure, but there's no way that 22 of them can malfunction."

"There is no evidence whatsoever that arson was involved" in the fire, Southworth said, yet the cause remains under investigation. When asked if a faulty generator is still a prime suspect as the cause of the blaze, Southworth replied, "No, I don't think so."

"They haven't pinpointed a prime suspect yet. I'm sure there are opinions now, but they are still just opinions," Southworth added. He said officials are not in agreement that the fire started in the basement, which had been generally reported over the weekend.

Gov. Julian Carroll indicated the investigation of the fire may be completed sometime next week. Meanwhile, the state will arrange a memorial service for the victims of last weekend's fire, Carroll said.

Deaths and Funerals

Hollis Walker Dies Services Are Held Tuesday; Funeral For Virgil N. Hart

To Be On Thursday

Hollis Walker of Murray Route Eight died Tuesday at 11:50 a.m. at the Murray-Calloway County Hospital. He was 65 years of age and his death followed an illness of two days.

The deceased was a member of the Green Plain Church of Christ and a Navy veteran of World War II. Born June 24, 1911, in Calloway County, he was the son of the late Charlie Walker and Azzie Butterworth Walker.

Mr. Walker is survived by his wife, Mrs. Faustine Adams Walker, to whom he was married on June 20, 1957; stepdaughter, Mrs. Roy (Marie) Wyatt, Murray Route Eight; step son, Jimmy Farris, Murray Route Five; two grandchildren, Tony Farris and Christopher Wyatt; four sisters, Mrs. Edward (Charlene) Curd and Mrs. John (Anne) Brinkley, Hazel Route Two, Mrs. Wardell (Nell) Scroggins, Clarksville, Tenn., and Mrs. James (Elizabeth) Copeland, Lake Park, Ga.

The funeral will be held Thursday at two p.m. at the chapel of the Blalock-Coleman Funeral Home with Bro. Dean Crutchfield and Bro. John Dale officiating. The song service will be by singers from the Green Plain Church with Danny Herndon as leader.

Palbearers will be Junior Childress, Clifford White, Hugh White, O. L. (Pete) Henson, Joe Bruce Wilson, and Wilton Holland. Burial will follow in the Green Plain Cemetery.

Friends may call at the funeral home after six p.m. tonight (Wednesday).

Virgil N. Hart, a resident of 101 Sunset Drive, Mayfield, died at four a.m. Monday at Parkview Convalescent Center in Paducah. He was 74 years of age, and a retired building contractor.

Mr. Hart is survived by his wife, Mrs. Alyce Hart, five sons, John T. Hart and Jimmy Ray Hart, both of Lone Oak, Joe Dudley Hart and Roger Lynn Hart, of Folsomdale, and Nathan Elery Hart, Benton, a stepson, Gene Hardy, of Louisville, and two daughters, Mrs. Odie Looper, Mayfield, and Mrs. Marvin Stewart, Glendale, Calif.

He also leaves three brothers, James Hart and Joe Hart, of Puryear, Tenn., and Brent Hart, Paris, Tenn., two sisters, Mrs. Mae Paschall and Mrs. Vernice Valentin, Puryear, Tenn., fifteen grandchildren and three great grandchildren.

The funeral was held at 3 p.m. Tuesday at the Byrn Funeral Home, Mayfield. W.E. Skipper officiated, assisted by John Hoover, and burial was in Maplewood Cemetery.

Tucker Family

Book Withdrawn

From Publication

The Tucker Family Book, being compiled by Brown Tucker of Kirksey, has been withdrawn from publication, Tucker announced today.

Tucker said that publication of the Robert Tucker Family Tree book has been withdrawn because of "unverified data and lack of proof of a major ancestor."

"This action is deemed necessary in order to protect all concerned," Tucker explained. "I sincerely regret this action," he said, "and trust all contributors will understand. Checks will be returned to contributors without delay."

DONATIONS—The Murray Women of the Moose recently made donations to local organizations. Above, Virginia Scott, outgoing senior regent, and Donna Cunningham, incoming senior regent, present Pat Holt, left, of the Comprehensive Care Center with a \$50 donation. Below, from left, Mrs. Cunningham and Mrs. Scott present a \$50 check to Robert Trenholm and Hal Winchester of the Calloway County Fire Rescue Unit. A \$50 check was also presented to the Calloway County Cancer Fund.

Search For Life On Mars By Viking Project Concludes

PASADENA, Calif. (AP) — The \$50 million Viking search for life on Mars is over, and scientists, while still puzzled, are generally pessimistic about the results from the two robot spacecraft.

"The majority opinion is that they have not detected life in the samples of Martian soil they tested," a spokesman for Jet Propulsion Laboratory

said Tuesday.

Viking 1 set down on the red planet last July 13, and Viking 2 landed September 3. The Viking landers scooped up soil from the Martian surface and performed experiments until Tuesday, when their automated laboratories were switched off from Earth.

They had run out of the nutrient liquids and helium gas needed to conduct the biology experiments.

However, the landers and two orbiters circling the planet continue to carry out other scientific observations, gathering information on Martian winds and temperatures.

The landers carried out all the tasks they were designed for — and some they weren't, including some self-repair.

Results beamed back to Earth at first led scientists to think they might have found evidence of life. But later experiments failed to clear up the ambiguous results, and scientists developed theories of how the results could have

been produced by a unique chemical — rather than biological — process in the soil.

Dr. Don DeVincenzi, who heads NASA's Division of Extraterrestrial Biology, said Tuesday that while the chemical theories "have considerable merit," they don't fit all the results from Viking.

The Viking results could have been produced by a nonliving process triggered by "eons of fairly intense radiation (from the sun) interacting with the surface material and the atmosphere," said DeVincenzi.

All Day Carnival

For Fire Group To

Be Held Saturday

An all day carnival will be held Saturday, June 4, at the Buchanan School at Buchanan, Tenn. The day's events will start at ten a.m.

Proceeds from this event, sponsored by the Paris Landing Community Fire Department Auxiliary, will go to buy much needed equipment for the volunteer firemen of the Paris Landing Community Fire Department.

Included in the events will be games for children and adults, prizes, arts and crafts booth, country store, cake walk, pony rides, and plenty of food, a spokesman said.

Live entertainment will be featured throughout the day with four groups performing including The Owens Trio, The Craig Brothers Country Rock, The Tennessee Gospel Singers, and the Bitter Creek Band.

The public is invited to attend, a spokesman said.

Coles Camp Ground

Plans Homecoming

The annual homecoming and memorial day services will be held Sunday, June 5, at the Coles Camp Ground United Methodist Church.

Sunday School will be at ten a.m. and the morning worship services will be at eleven a.m. with the church, the Rev. Charles Yancy, bringing the message. This will be the Rev. Yancy's last sermon at the church as he will be moving to the pastorate at the United Methodist Church at Camden, Tenn.

A basket lunch will be served at noon and singing will begin at 1:30 p.m. The public is invited to attend, a church spokesman said.

Fire. . .

(Continued From Page 1)

As relatives and friends go by the few remaining white-shrouded bodies, investigators remain at the scene of the plush nightclub atop a bluff on a 17-acre spread. Parts of the building frame remain where a crane, pulling debris away, searches for more bodies.

State Police Commissioner Ken Brandenburg said Tuesday he was "extremely optimistic" his crews would uncover no more bodies from the rubble. There were about 3,500 people at the entertainment house when the fire broke out.

Brandenburg, who directs a team of investigators, declined to release past fire inspection reports.

"These are part of the investigation and I am always fearful of people zeroing in on

or more parts of reports when it might turn out later that those facts have nothing to do with what happened," he said.

However, state Fire Marshal Warren Southworth said Tuesday that the club was in compliance with fire prevention laws at its last state inspection in February 1976. But Southworth was unable to locate a copy of the report nor could the inspector.

In a letter from Chief Deputy Fire Marshal Stanley Boyd to the club owner, Boyd wrote Nov. 16, 1976 and has a copy: "Our field representative's report states that the project was constructed in substantial compliance with minimum fire safety regulations."

Boyd also wrote the owner on March 3, 1976 about four deficiencies resulting from his month-earlier inspection. Southworth said the corrections were made and he has affidavits to support that.

Brandenburg said investigators have almost ruled out the basement as the origin of the fire. Earlier speculation, including that by Gov. Julian Carroll, said the fire started in a basement boiler room, burned for many minutes undetected before moving into the air conditioning system and breaking through the walls of the Cabaret Room. Most of the fatalities died in that showroom.

Members Will Be Honored At Pleasant Grove

The South Pleasant Grove United Methodist Church will celebrate homecoming day on Sunday, June 5.

At the eleven a.m. worship service all members over 70 years of age will be recognized and all who have been members for more than 50 years will be honored and presented a certificate. Seventy four members will be recognized for more than 50 years of membership.

The Rev. Dr. William P. Mullins, Jr. will preach on the topic, "Counting the Cost," based on the text, Luke 14:28-30.

After the service of worship dinner will be served on the grounds, followed by a Hymn Sing with the South Pleasant Grove choir and other groups. The choir is conducted by Mrs. L. D. Cook. Mrs. Otto Erwin plays the organ and Tommy Gaines plays the piano.

All members, former members, and friends of the church are invited, a church spokesman said.

McDaniel Cemetery

Plans Homecoming

The McDaniel Cemetery, located 3½ miles east of Almo, will have its annual homecoming on Sunday, June 5, with a basket dinner to be spread at noon.

Funds for the upkeep of the cemetery and for the trust fund for the cemetery will be taken. Persons unable to attend may mail their contributions to Myrtle Jones, Route One, Dexter, Ky.

COOKING CORNER

Cafe Des Copains Makes Debut

Murray's most exclusive dining spot opened on May 24th for the friends, family, and members of Murray High's French Club. This one night only event transformed the MHS cafeteria into a French Bistro complete with red checked tablecloths, candles dripping down old bottles, posters of scenic spots in France and even some artwork created by students. Appropriate French music played in the background.

Dinner was buffet style with a plethora of dishes from which to choose. There was a lovely chicken-cheese casserole, chicken tid-bits that had been fried, ham rolled around pate-fois-gras, beef chunks, various vegetable casseroles using asparagus, French cut green beans, and carrots in Grande Marnier sauce. All this was served with French bread, of course. For dessert the choices were cherry tarts, strawberry pies, crepes in orange sauce, eclairs and a Bavarian creme.

The planning and food preparation was carried out

by the 50-60 members of the French Club lead by Ruth Howard. To be eligible for membership a student must be enrolled in a French class or have completed one year of French. The purpose of the club is to expose members to the customs and traditions of France as well as to promote the use of the language in social situations outside the classroom.

For the past few years the club has been very busy raising money for a scholarship they will award in 1978 to an outstanding senior at Murray High who plans to major in French. To this end they have had Quiche sidewalk cafe's, bakesales at school, and the Mardi Gras in conjunction with the Spanish Club.

This summer five students are accompanying Bob and Ruth Howard to France for a month's submersion into the culture of France.

Entertainment at the Cafe des Copains, or Cafe of Friends in English, was furnished by George Landolt and Mrs. Joe Kessler who

gave brief talks on the importance of foreign languages in their personal lives. Also, there was a short presentation of awards won at the state competition, local awards won by various members and installation of the new officers.

This year's club meetings were presided over by Bobbie Smith, Lynda Perrin, seniors; and Jill Austin, Bruce Horning, and Donna Bailey, juniors. Next year Donna Bailey, Aracely Capote, Ann Clark, Gina Jones and Kim Alley all seniors-to-be and Stacey Overby, junior-to-be will be the officers of this very busy, dedicated group.

Various students were quite willing to share their recipes with us and wish all who try them **BON APPETIT.**

Chocolate Eclairs

Thomas Pitts

Eclairs
1/2 c. butter
1 c. water
1 c. sifted all-purpose flour
1/4 t. salt
4 large eggs
Combine butter and water in a saucepan. Bring to a vigorous boil. Reduce heat to low. Sift dry ingredients together and add at once. Stir vigorously until mixture forms a ball and does not stick to the sides of the pan. Be careful not to over heat flour

mixture because it won't rise at all if it is. (We found this out). Remove from heat. Add eggs one at a time. Beat until dough loses slick appearance and looks dry. The mixture will be ready when it stands erect on the spoon. Fill a cookie press or pastry bag with dough and form eclairs 1 inch wide and 4 inches long on a greased cookie sheet 2 inches apart. Bake at 450 degrees for about 13-15 minutes then reduce heat to 325 degrees for 20 minutes more. Eclairs should puff up in the first 10 minutes. When they are cool, cut lengthwise and fill with pudding or pastry creme. Frost with Chocolate frosting. Serve at once. Yield 1 dozen.

Chocolate Frosting

1 egg
one-third c. melted butter
1/2 squares chocolate, melted and cooled
1 t. vanilla
1 1/2 c. powdered sugar, sifted
Beat egg. Blend in butter, chocolate and vanilla. Beat in sugar until smooth. Spread at once on eclairs.

CREPES SUZETTE

-Debbie Gabberry
-Greta Timmerman
(with help from Craig Claiborne)

4 lumps sugar
1 orange
1/2 c. butter
orange extract, to taste

12 crepes

Rub the lumps of sugar on the orange skin until they are covered with the aromatic oil. Squeeze the orange, and reserve the juice. Crush the

sugar with half the butter and cream well. Place the remaining butter in a flat skillet or chafing dish. Melt butter and add orange butter. Add the juice and add enough extract until you have a

pleasing orange taste. Keep the sauce at a light simmer and add the crepes one at a time. With a fork or large spoon, turn each crepe over in the sauce and fold in quarters. Serve hot. (4-6 servings)

FRENCH COOKING—Donna Bailey, left, and Kim Alley, await service at the "French" restaurant night recently held by the French Club at Murray High School.

Hoyt Kirk (left), Director of the Mid-South Youth Camp, Henderson, Tenn., accepted a P.A. system donated to the camp by Willard Alls (right) of Murray. Alls made the presentation in a ceremony before the annual alumni banquet at Freed-Hardeman College, Friday, May 13. The portable P.A. system will be used at the school-sponsored youth camp.

State School Suffer Loss Of \$11 Million In Winter

FRANKFORT — Kentucky's elementary and secondary schools suffered an \$11 million loss this year due to the unusually harsh winter, said a state official of the Kentucky Department of Education (KDE).

James Melton, Associate Superintendent of Public Instruction, said yesterday that \$4.6 million was spent on unanticipated fuel bills during the extreme cold in January and February.

Speaking at the Governor's Conference on the Economic Impact of the Winter of '77, Melton explained that in addition to physical losses caused by severe cold, such as broken pavement, frozen pipes and roof damage, school systems also faced the ad-

ditional costs of snow removal and the necessary early warm-up of buses.

Jefferson County assistant superintendent Mike Burcherri said that 600 Jefferson County school bus drivers were paid to arrive half an hour early to warm up buses so they could make their runs at the usual time. Burcherri said the added costs to the Jefferson County school system for January and February exceeded \$1 million. He added that \$848,000, double the budgeted amount, was spent on fuel oil.

In a written report to the Governor, the KDE suggested that schools develop alternate heating capabilities, open on an earlier date so they can close schools during periods of extreme cold and develop a curriculum guide to make students aware of the need for energy conservation. They also recommended an energy audit for each school district.

Roger Crittenden of the Council on Higher Education said that state universities spent almost \$900,000 more than their budgeted resources last winter, but added that they were able to operate during the cold spells.

THE FAMILY LAWYER

by Will Bernard

"Taking The Fifth"

Summoned to testify in a bribery probe, a politician was asked if he had ever paid off any public officials. When he refused to answer on constitutional grounds, investigators tried to have him punished for contempt.

"By 'taking the Fifth,'" they complained in a court hearing, "he is sabotaging this very important inquiry."

But the court upheld the witness' privilege under the Fifth Amendment to remain silent.

"The privilege may not be violated," said the court, "merely because its restraints are inconvenient or because the disclosure of wrongdoing will promote the public weal. It is a barrier interposed between the individual and the government, and neither legislators nor judges are free to overleap it."

The Fifth Amendment, traceable to the evils of the Inquisition and the Star Chamber, is based on the unfairness of forcing a person to convict himself. However, there are important limitations.

For one thing, the privilege is personal. One man invoked the Fifth Amendment when questioned about his cousin, the defendant in a manslaughter case. But it was obvious that the only purpose of the witness was to protect his cousin, not himself.

Ordering him to answer, the court said he had "no right, under the pretext of shielding himself, to (shield) others seeking shelter behind his privilege."

Furthermore, there must really be a risk of incrimination. A witness in a burglary case was asked whether he had ever served time in prison. He pleaded the Fifth Amendment, but the court ruled that he must answer because his reply could have no criminal consequences.

Even though he could be embarrassed by his "past," said the court, embarrassment alone wasn't a weighty enough reason to block the course of justice.

A public service feature of the American Bar Association and the Kentucky Bar Association.

Substituting wool for synthetic fibers would demand a billion acres of grazing land, equal to all the agricultural land in the United States, according to Harding.

Kentucky Law Protects People From Exploitation

FRANKFORT — "It's inhuman to abuse, neglect, or exploit the elderly or any other adult," commented John Denton, adult services specialist with the Kentucky Department for Human Resources' (DHR) Bureau for Social Services.

"Now Kentucky has a law that protects people from exploitation, abuse or neglect," he said.

Denton referred to the Adult Protection Act passed by the 1976 General Assembly. This act provides for protective services to "anyone 18 years or older who is too impaired physically or mentally to act on his or her own behalf and who is without responsible friends or relatives who are available to assist them."

The act is similar to the Child Abuse Act in that it requires reporting cases of violation.

DHR's Bureau for Social Services is responsible for administration and providing services under this act. The responsibility for investigating adult protective services complaints belongs to Bureau for Social Services' county workers.

The focus of adult protection is one investigating and providing services to the individual in need who requests services. "A person has the right to refuse services; we cannot make anyone accept the help that is being offered," said Denton.

A significant number of the reported cases deal either with the young adult or the very old, revealed Denton.

The reason for this, he explained, is that the young adults who need service are generally "retarded or physically handicapped," and the elderly are very susceptible because of their "lack of mobility, impaired physical or mental functioning and their isolation."

Denton cited the bureau's meaning of terms used by the protective service worker as follows:

"Exploitation" is the improper use by a caretaker of funds paid by a governmental agency to the person. This may be a Social Security check or other government payment.

"Caretaker" is defined as an individual or institution responsible for the care of an adult either by a family relationship, assumed responsibility, contract or other such agreement.

"Physically abuse" refers to infliction of pain, injury, or mental anguish.

"Neglect by caretaker" is defined as the deprivation of services necessary to maintain the health and welfare of the adult.

"Self-neglect" is the state of being unable to provide or obtain for himself services necessary to maintain health or welfare.

Since the law has been in effect, Denton stated that the number of reported cases totaled 559; of these, the greatest number or percentage has been classified as self-neglect.

He cited an example of self-neglect: "The person is usually female, 70-75 years old, living alone and becoming increasingly unable to take care of personal needs." More than likely this person does not want to leave familiar surroundings either to go to a nursing home or to move in with relatives.

Denton said the act may also provide help for those who "live in inadequate housing, are improperly fed and clothed, are unable to manage financial or personal affairs, receive inappropriate medical or psychiatric care, are unable to manage alone in their house or who need help in arranging out-of-home care."

"Our goal is to help these individuals remain in-

dependent for as long as possible in familiar surroundings," he said.

The bureau offers, either directly or by referral, a number of services in order to make this possible. Among these services are: counseling, homemakers, home health care and home-delivered meals.

The bureau also tries to locate relatives and friends to urge them to renew interest in and provide real assistance to the person in need.

The Bureau for Social Services is dependent upon responsible citizens to refer adults who may need these protective services. Names of persons making referrals are kept confidential and these persons may remain anonymous. Referrals should be directly to the local (county) DHR Social Services office.

Written inquiries may be sent to John Denton, Adult Services Specialist, Department for Human Resources, Bureau for Social Services, 403 Wapping Street, Frankfort, Ky., 40601, telephone (502) 564-6936 during working hours.

NORMAL BLOOD PRESSURE
WASHINGTON (AP) — Normal blood pressure ranges from about 90 over 60 to 140 over 90, says the National High Blood Pressure Education Program.

If the bottom number, known as the diastolic blood pressure, measures over 104 on two different readings, the program recommends a visit to a doctor for medication to lower the blood pressure.

Your Individual Horoscope

Frances Drake
FOR THURSDAY, JUNE 2, 1977

What kind of day will tomorrow be? To find out what the stars say, read the forecast given for your birth sign.

ARIES
(Mar. 21 to Apr. 20)

You should encounter few obstacles now, but be on guard against "little" errors, miscalculations. Romance and travel favored.

TAURUS
(Apr. 21 to May 21)

This day could have its tricky moments. You will do well to maintain an even, systematic pace and procedure, no matter what pressures may be put upon you.

GEMINI
(May 22 to June 21)

Mercury influences indicate a day of successful moves and plans, but all will require know-how, diligence and painstaking care. Don't launch into uncharted seas.

CANCER
(June 22 to July 23)

Quality of effort must be stressed over quantity now. Use your strong will power thoughtfully — for or against certain propositions. The emphasis MUST be on constructiveness.

LEO
(July 24 to Aug. 23)

Consult with others before making important decisions. Your endurance may be tested, but you are used to tests — and usually come through with flying colors.

VIRGO
(Aug. 24 to Sept. 23)

Mixed influences. Organize talents and experience to promote your interests more efficiently. Some personal plans may have to be deleted from your program for the moment.

LIBRA
(Sept. 24 to Oct. 23)

Some new events in the making, perhaps a new contract. Give rein to your liveliest hopes now. Do not antagonize those who are really well disposed toward you.

SCORPIO
(Oct. 24 to Nov. 22)

Through sheer personality, you can be an effective influence in areas where barriers have been erected. Your spirit of enterprise stimulated.

SAGITTARIUS
(Nov. 23 to Dec. 21)

Avoid any tendency toward vacillation. Set sights calculatingly on your target, and aim for it unerringly. Jupiter influences helpful.

CAPRICORN
(Dec. 22 to Jan. 20)

Be solicitous of fellowmen but not to the point of being "taken in." There are some who would prey on anyone who will listen.

AQUARIUS
(Jan. 21 to Feb. 19)

Care needed in both domestic

and budgetary matters. Also, avoid restlessness and changeability. A day for straight-line thinking and action.

PISCES
(Feb. 20 to Mar. 20)
Fine aspects stimulate optimism and foresight. An excellent day for making plans — especially those of a long-range nature.

YOU BORN TODAY are an extremely gregarious individual — a happy-go-lucky person, motivated by good will toward all. Also ambitious and unusually versatile, you have the potentialities for attainment in many fields but, since you are restless and changeable in your desires, could stymie your own efforts if not careful. The Gemini usually excels in writing, music, promotional ventures, any field which involves travel. On the other hand, you may be attracted to science and (or) research and could succeed at either if you educate yourself along these lines. You would make an excellent teacher if you could master your innate impatience. Birthdate of: Thomas Hardy, novelist; Sir Edward Elgar, composer; Pope Pius X; Johnny Weissmuller, noted swimmer and film star ("Tarzan").

NOTICE

The Murray City Street Department will again pick up brush and debris for the residents of Murray beginning immediately and continuing through August 26. Residents should call 753-3790 for this service as it is available only on a call-in basis.

The city will be divided by Main Street. The north side will be picked up on Mondays and Tuesdays. The south side will be picked up on Wednesdays, Thursdays, and Fridays.

Citizens are asked to place all leaves, grass, weeds, trimmings, etc., in plastic bags or containers. Brush should be neatly stacked in small piles no longer than six (6) feet with ends facing the street.

The Street Department is offering this free service to fill a need created by the severe winter that resulted in so much winter kill of shrubs and bushes.

Curb Ramp Helping Solve Problems For Handicapped

FRANKFORT — "Kentucky is first in the nation to solve the most common and troublesome problem of handicapped persons — the curb," said Marshall E. Swain, assistant superintendent for the Bureau of Rehabilitation Services, state Department of Education.

Although the enactment of recent legislation provided some help with the problem, it was the design of the curb ramp which has facilitated the use of the streets by the severely disabled, the elderly, persons with coronary disease and diabetes, as well as mothers with infants in strollers," Swain said.

Eugene B. Drake, assistant director of the Division of Design, state Department of Transportation, developed the design and received the Barrier Free Design Award given by the Committee for the Elimination of Architectural Barriers.

Mrs. Kathy Williams, a member of the committee and supervisor of rehabilitation services at Cardinal Hill, Lexington, presented Drake with the award at the annual training conference for rehabilitation counselors of the Southeast Region — an eight-state area.

"Many of the ramps being constructed throughout the nation are not usable by persons in wheelchairs primarily because of a one to two inch lip that is placed at the bottom of a curb for drainage purposes," explained Mrs. Williams. "The 'lip' problem has been completely solved by the new ramp design now in effect in Kentucky."

Mrs. Williams has worked in rehabilitation services for the past eight years and has served on the committee since it was formed in 1974.

"The committee's major thrust until now has been awareness — making Ken-

tuckians aware of the needs and problems of handicapped persons," explained Mrs. Williams. "We are now working on phase two — putting awareness into action."

During the first two years, the committee distributed keyrings, automobile stickers and various informational materials. The group operated a booth at the state fair, appeared on radio and television programs and participated in conferences and workshops for rehabilitation workers.

Recently, the committee received a \$5,000 grant from the Office of Highway Safety, Department of Transportation, to conduct a two-day curb-ramping seminar. Committee chairman Gerald Williams and 30 others who use wheelchairs studied every fact of curb ramping, including the legal, structural and funding aspects, according to Mrs. Williams.

"To our knowledge, it was the first such endeavor of its kind in the United States," said Mrs. Williams. "The seminar was conducted on the premise that the handicapped individual is his own best spokesman and by demonstrating his needs is the one who can best get the job done."

Armed with information and knowledge, these individuals will go back to their communities and set up "watchdog" committees to make sure new construction and buildings meet requirements for architectural accessibility.

"Accessibility means more business and economic gain in any community," said Mrs. Williams. "It can become a community effort with churches and civic organizations donating some of the labor and materials."

Along with Mrs. Williams and Chairman Williams, the following persons serve on the committee for the Elimination of Architectural Barriers: Jerry Holbrook, east Kentucky area; Wayne Jernigan, west Kentucky area; Carolyn Atkinson, Louisville area; Lowell Robertson, southeast Kentucky area; and Paul R. Stigall, north Kentucky area.

Anyone who needs technical assistance or more information on curb ramping

PASSIONATE PLANT KEEPERS BARTLESVILLE, Okla. (AP) — Three-fourths of all house plants owners "enjoy caring for them," while the remaining one quarter did not, according to a survey conducted by Phillips Products.

The survey found that most people keeping plants have a "nurturing" or caring, "protective attitude" toward their plants.

may contact Marshall E. Swain at (505) 564-4440 or Gerald Williams, (606) 252-0851.

Don Bale To Retire On July 1

FRANKFORT — Assistant Superintendent Don C. Bale will retire from the Kentucky Department of Education (KDE) July 1 after serving 25 years with the department under seven administrations. Bale joined the KDE in 1952 as a high school supervisor and has served as assistant superintendent for the Bureau

DON C. BALE

of Instruction since September 1956. "There were only 11 professional people in the Bureau of Instruction when I came in 1952," he said.

"I've seen a lot of progress in education and in consolidation, accreditation, and certification of teachers. We've had a great increase in the services we provide," Bale said.

Bale began his professional career in 1935 teaching in the Hart County elementary schools. Between 1935 and 1952, he held positions as coach and principal and served four years in the U. S. Army.

In addition to his professional duties, Bale is also chairman of the Kentucky Authority for Educational Television, chairman of the board of directors of the Appalachian Educational Laboratory, and a representative on the state committee for the Southern Association of Colleges and Schools.

Bale is also a member of Kentucky Association of School Administrators, Kentucky Education Association and National Education Association.

After his years of service as teacher, principal, coach and administrator, Bale sums up his philosophy on education by saying, "All youngsters should have a common core of information — to read, write, listen, speak and do creative thinking. Beyond this, all facets of education are not equally important to all students."

Four years ago Chester Poat ordered a kit of wood inlay from the Albert Constance Company in New York. He anticipated developing a hobby out of the order, and so he did — a hobby that has led him to display his work at the TVA-Murray Art Guild Arts and Crafts Festival for the past three years. Poat, caretaker and manager of the Knights of Columbus Hall in Paducah, makes various wood

inlay pieces, including chess and backgammon boards and serving trays, using various types of wood. Utilizing special tools, such as a saw he describes much like a hacksaw, Poat's work includes the assembly, sanding, buffing, and varnishing of the pieces which will sell for \$10-\$30 each. Poat will be one of the more than 200 exhibitors whose work will be displayed in the Environmental Education Center at Land Between The Lakes during the 8th annual Arts and Crafts Festival, June 25-26, 1977. Exhibitors from numerous southeast and midwest states will display paintings, sculpture,

woodwork, jewelry, and pottery from 9 a. m. until dusk both Saturday and Sunday. Additional information on the special activity can be obtained by writing TVA, Land Between The Lakes, Golden Pond, KY 42231, or telephoning 502-924-5602.

MAGIC FINGERS' NEW FRENCHER/SHELLER

The new Magic Fingers Frencher Sheller slices green beans french style and shells any peas or beans that you would normally shell by hand. Quick. Easy.

Powered by your hand mixer or variable speed drill (600 r.p.m. max). Shells two 12" bushels an hour and slices a pot full in minutes. Dishwasher safe. Top shelf.

Garden peas and beans are so good. Now you can enjoy those garden fresh beans without tedious shelling and butter of knife slicing by hand shelling.

53. Feed And Seed

OLD HAY FOR sale. Good for mulching a garden. Free of grass seed. 50 cents a bale. Call 435-4380.

54. Free Column

FREE — VERY SMALL mixed breed dog. Long haired. Black with white markings. Very gentle and friendly. Will make a lovely house pet. Call 753-3535.
